## **Scania Engine Oil Approval: ARDECA PRO-TEC TDS 10W40**

### **Approval: Scania LDF-2, LDF-3**

This approval is only valid in the assumption that no other formulations with the above brand name exist, i.e. no base oil interchange and no read across is permitted.

This approval is not transferable in any way to third party or other brand names without special permission.

### **This approval will expire end of August 2012.**

A renewed approval will be given if NV Vroman, Belgium, by letter or e-mail applies for it two (2) months in advance by assuring that the brand on the market is still the same formulation as the approved engine oil. If there is no application for a renewal, the lubricant will be deleted from the Scania oil list. If once deleted, the oil will not be reintroduced due to administrative reasons.
